Presented by the Latino Hope Foundation
The Latino Hope Foundation (LHF) is a non-profit organization that strives to invest in the future of Latino students and to help build a more inclusive Spokane community where all can be proud to live and work.

The Latino Hope Foundation was created to accomplish these things:

1. Establish a scholarship fund that will financially support Latino students attending Gonzaga University, Eastern Washington University, Whitworth University, Washington State University-Spokane, Spokane Falls Community College and Spokane Community College.

2. Educate the community about the Latino culture and heritage through art, music, celebrations and sharing of historical contributions Latinos have made in this country.

3. Strengthen and foster understanding and acceptance and reduce bias and prejudice against the Latino community.

As a way to promote Hispanic Culture in the Spokane community, the LHF holds various events throughout the year. Among these, **Fiesta Spokane** is by far the most prominent and its popularity is growing. This is an exciting time for Fiesta Spokane and it's a great opportunity to invest in highlighting, celebrating and honoring the rich culture in our city.

FIESTA SPOKANE 5K Run

Cancelled
Due to Construction
A family friendly event hosted in Downtown Spokane. This scenic 5K will take runners around a scenic route finishing to live mariachi at the festival.
Saturday, September 7th  
12pm-8pm 

The festivities continue in downtown Spokane. This event features delicious food, entertainment, fun crafts, a health and education fair, and a variety of vendors. Everyone is welcome!
The gala is an evening of celebrating our Latino culture, honoring our community leaders and organizations, and supporting access to higher education for our Latino students.

A silent auction and cocktail hour will be followed by an elegant dinner and end with a night of music and dancing. Proceeds from the gala will go toward scholarships that will be awarded to promising Latino/a students who attend local institutions of higher education.
